

Rural Municipality of Meadow Lake #588 Policy

Policy #TS-001
Policy Title: Culverts

Policy Objective: To set a standard for the installation and purchasing of culverts in the RM of Meadow Lake
Authority: Council Resolution #417/14
Dated: November 10, 2014

Policy:

1. Culvert Installation
 - a. Application for a culvert must be made in writing to the RM office
 - b. Approval for the size of culvert needed will be at the discretion of the Manager of Public Works
 - c. Culverts may be available for purchase at the RM of Meadow Lake for the cost to the municipality to ratepayers of the RM of Meadow Lake only.
2. Maximum Culvert Supply
 - a. The RM of Meadow Lake #588 will supply a maximum of one (1) culvert per quarter section if needed.
3. Additional Culverts
 - a. Anyone wishing to place **additional** approaches, or need to widen the approach, on the quarter section of land then they must purchase the culvert necessary to place in that approach.
 - i. The Manager of Public Works must be notified and will make the size recommendation for the culvert.
 - b. In the event of a subdivision, the developer is responsible for the approach development expenses and culvert expenses.
4. Standard Size Approach
 - a. The standard size approach will be 12 meters wide.
 - b. Any approach that is requested to be wider must be approved by Council
